

AVION FURNITURE SHOP

FURNISHING YOUR LIFE!

Overview of the Business Vision:

- Avion is an innovative online marketplace designed to make furniture shopping seamless, affordable, and accessible for everyone. Our platform connects customers with a wide selection of high-quality furniture, offering everything from modern living room sets to elegant bedroom furniture and functional office pieces. With a vision to revolutionize the way people furnish their homes, we are committed to providing excellent customer service, fast delivery, and affordable prices for every style and budget.

Problem Statement:

Identifying the Problem:

Inefficient Shopping Experience: Traditional furniture shopping is often time-consuming, with customers visiting multiple stores and facing delivery delays.

High Costs: Many people are unable to afford quality furniture due to high retail prices.

Limited Options in Physical Stores: Customers often face limited selections and struggle to find pieces that suit their tastes and needs.

Why is it important to address this?

- **Market Fragmentation:** The global furniture market is growing, but many small businesses struggle to compete with large chains that offer limited variety and high prices.

-

- **Customer Demand for Convenience:** 68% of consumers now prefer shopping online for furniture due to ease, but they still face challenges with return policies, quality assurance, and delivery timelines.

Solution

Unique and Effective Solution:

Avion addresses these problems by providing a fully-online marketplace for premium-quality furniture with a vast range of styles, customizable options, and affordable prices. Our solution offers:

Wide Variety of Styles: From contemporary to classic, customers can browse through diverse categories and styles.

Affordable Prices: We source directly from manufacturers and offer competitive pricing with free delivery options.

Flexible Return Policies: Easy returns with minimal hassle, even for bulky furniture.

Eco-Friendly Options: A selection of sustainable and environmentally-friendly furniture pieces.

Market Opportunity:

Target Market Size and Growth Potential:

Global Furniture Market: Expected to reach \$750 billion by 2026 with a 6% annual growth rate.

Target Audience:

Homeowners & Renters: Individuals looking to furnish apartments, homes, or office spaces.

Young Professionals & Millennials: Tech-savvy shoppers who value convenience, customization, and affordability.
